WHAT IS STAR:

STAR has been serving transportation needs of the community's older adults and individuals with disabilities since 1982. It is supported by a millage of the townships of Bruce and Washington, a Specialized Service Grant from the State of Michigan, Community and Municipal Credits from SMART, and is a Community Based Service Provider with SMART.

ELGIBILITY:

Must be a resident of the Village of Romeo, or the townships of Bruce or Washington, and 60 years of age or older, or under 60 years of age and have a disability that prevents them from operating a vehicle.

WHAT STAR DOES:

Take passengers for any transportation request, such as medical appointments, banks, groceries, drug stores, and hair appointments, nutritional and recreational activities, in the Village of Romeo and the Townships of Bruce and Washington. STAR travels outside the townships for personal medical appointments. This includes the Henry Ford Macomb area, Ascension Providence Rochester area, and the Troy Beaumont area.

ADA COMPLIANT:

STAR has eleven vehicles, including six equipped with wheelchair lifts.

BUSINESS HOURS: M-F 8:30 am - 4:00 pm

HOW TO SCHEDULE A RIDE:

Call STAR at 752-9010 or 752-6543 ext 5 by 12:00pm at least two working day in advance. STAR will take reservations for Medical appointments up to one month in advance, and all other appointments up to two weeks in advance.

Self Defense

(Partner Registration Required)

Geared for 12yrs to Adult

Basic, easy to remember techniques taught by a female instructor in relaxed, supportive atmosphere. Learn safety awareness skills as well as physical defenses against grabs & other assaults. A great class for Moms & Grandmas and anyone interested in personal protection. Don't forget your notebook taking notes is a part of this very informative class

(3700) Fri, Oct 2 6-8:00 pm \$20/person; NR \$23

Karate

Ages 6-Adult

Join us for this beginner class and discover the many benefits of the martial arts. Students learn basic blocks, strikes, kicks & stances in a positive environment. Children develop focus, confidence, coordination, & self discipline. Adults benefit from the stress relief, exercise, and self defense skills. -Due to current restrictions, there will be NO partner skill work, it will all be done individually & class sizes will be limited & format will be more of a semi-private.

Begins Week of Sept 28 Wk: 4 \$48 NR: \$54

Mon or Wed 7:15 - 7:45 pm:

(3701) Mon (3703) Wed

Tue or Thur 5:15-5:45 pm

(3702) Tue (3704) Thur

Saturdays 10:00 - 10:30 am

(3705) Sat

Lions, Tigers & Bears

(Parent & Child 4-8yrs - 1 parent per 1 child)

NEW FORMAT - This class will now be a Parent/Child class. Parent/Grandparent, will be able to learn along with their child. They will practice self-defense with them and partner up for drills using mitts & other equipment. Also includes a character education curriculum that helps build confidence, increase focus and enhance listening skills.

Begins Week of Sept 28 Wk: 4 \$66 per pair NR: \$72

Tue or Thur 4:30 - 5:00 pm

Workshop - Tot & Youth

The how to of LEGO® or like block creations

Washington Twp. Center (only 9 per class)

Medieval Mazes & Hidden Rooms Ages 5-12

(3425) Sat, Oct 17 9:00 am - Noon \$29

In this workshop, students will be whisked away by the grandiosity of enormous castles. They will imagine many different parts of their own fortresses, designing the outside's architecture and grounds while also thinking about the mysterious rooms within. They will have the opportunity to learn about the history and use of mazes and then design their own Lego® version for their classmates to solve. 3-hour Workshop

Junior STEAM Fantasy Ages 4-6

(3426) Sat, Nov 14 9:30 - 12:30 pm \$33

In this workshop, students will be immersed in activities with fantasy themes that not only engage their imaginations but their logic as they use critical thinking to create structures and shapes. Students must work in teams and follow directions carefully to create the proper builds. 3-hour Workshop

Combat Robots Ages 7-12

(3427) Sat, Nov 21 9:00 am - Noon \$36

Do you think you can build the strongest and most agile robot? Can your robot win a head-to-head combat mission? Come learn engineering strategies for building sturdy structures using LEGO® bricks and then apply that knowledge to build a robot for friendly competition. 3-hour Workshop

Celebrating Dr. Seuss Ages 3-7

(3429) Sat, Dec 12 10:00 - 11:30 pm \$18

This workshop will take your children on an adventure through the Seussical world of Dr. Seuss. Theodore Geisel is regarded as one of the greatest children authors of all time. He is known for his whimsical, make believe characters and settings as well as his silly rhyming words. Your children will be challenged to "write their own" story, creating a setting and a character, using LEGO® bricks

Creature Creator Robotics Ages 5-12

(3428) Tue, Dec 22 9:00 am - Noon \$36

Your animal lover will create their own animal inspired robotic models. Students will learn about gears and their ability to transfer power to one another. They will be able to identify the driving gear and the driven gear. Students will also learn about bevel gears and how the curve of their teeth can be utilized to redirect forces your child is sure to have a wild time as they build, learn, and play. 3-hour Workshop

Our facilities are NOT opening just yet. We will be unlocking/locking for registered Parks & Rec programs ONLY

Following CDC Guidelines - Masks must be worn at all inside programs, at all times. Only 10 participants per room

POLICIES & INFORMATION

WAIVER OF LIABILITY

**** All Participants need to READ ****

I agree & understand that as a condition of the use of any facility, park or participation within any program presented by the Romeo-Washington-Bruce Parks & Recreation Department, Romeo Community School or any affiliated group or individual associated with the above organizations I assume as a participant or parent/guardian of a participant all risks and hazards of engaging in or spectating at any organized or unorganized activity or facility, including assuming all risks for personal injury, death and property damage.
